Subject: Evaluation of Reclamation Surety, Denison Mines, Redd Block Four Mine,
M/037/0046, San Juan County, Utah

Dear Mr. Roberts:

The Division of Oil, Gas and Mining has evaluated the reclamation surety for the Redd Block Four mine and has determined that no adjustment in the surety is required at this time. The Division's last reclamation cost estimate for the Redd Block Four mine was completed in 2005 and escalated to 2010 dollars. The Division will now consider that the surety bond is escalated to September 20, 2015.

Please call me at 801-538-5261 or Tom Munson at 801-538-5321 if you have questions about this action.

Sincerely,

Paul B. Baker
Mining Program Manager
